## **LHS Webinar: Archaeology of Howard County November 12<sup>th</sup>**

There's a lot to dig about local archaeology – and Howard County has many sites and ongoing excavations. Thursday, Nov. 12 at 7 p.m. the Laurel Historical Society (LHS) will present a webinar where attendees can learn about the county's archaeological sites and ongoing excavations. Kelly Palich, Howard County Living History and Heritage Program Coordinator and its archaeologist will lead the webinar. In addition to exploring Howard County archaeology, Palich will share how to volunteer with the Upper Patuxent Archaeology Group. This virtual program is free and open to the public, but registration is required. To register go to: <http://bit.ly/HowardCntyArchaeology>. The Archaeology of Howard County webinar is the second in a series of free webinars being sponsored by the LHS this Fall. December 10 the third and final webinar, "Early Victorian Christmas History and Traditions" will celebrate the holidays.
