Jim McCeney will forever be remembered for his commitment to our community, to Laurel's history, and to making Laurel a better place.

This year we are holding our 2nd annual "McCeney March" through Historic Laurel in his honor. Jim walked 3 miles a day for many years and we will be walking along some of his favorite routes during our fundraising walk.

Proceeds of the McCeney March will be put towards a scholarship for students interested in history to be awarded in Jim's memory as well as benefit the Laurel Historical Society.
