Medical Battles of the Civil War November 14

Battles fought in the medical field during the Civil War were as important as those fought with guns. Join Museum professional Barbara Franco Thursday, Nov. 14, 7p.m. to learn more about battlefield medicine, women's roles and Laurel's own Dr. John Cronmiller. FREE and open to the public. Park of the Laurel Museum Speaker Series. Suggested Donation for non-members, \$2.00. Laurel Pool Room, 9th & Main Streets. For more information visit www.laurelhistoricalsociety.org 301-725-7975.
