

FREE SUMMER PROGRAM FOR KIDS

Don't Miss Out!
Registration
begins
May 20

This summer come learn about Bioscience!

Build models of plant and animal cells and learn how they are similar and different. Discover why cells are important for life. Use magnifying glasses to examine everyday things up close and microscopes to look inside the cells of plants and animals. Learn about bacteria and find out why some bacteria are helpful and others are harmful.

GSK Science in the Summer™

Registration begins May 20

WHERE:

Laurel Historical Society
817 Main Street
Laurel, MD

WHEN:

August 4-8
9:30AM-10:30AM LEVEL I (Grades 2-3)
11:00AM-NOON LEVEL II (Grades 4-6)

What is GSK Science in the Summer™?

A free science education program sponsored by GSK, in partnership with AAAS and community-based organizations in the Washington Metro Area. GSK Science in the Summer™ gets kids excited about studying science with hands-on experiments. Classes are small with 15 students each so register early!
