

GSK Science in the Summer™

Free summer program for kids

Learn about the Science of Space!

Laurel Historical Society
817 Main Street
Laurel, MD
301-725-7975

Class Dates: August 20-24
Level I (2nd-3rd graders) / 9:30-10:30 am
Level II (4th-6th graders) / 11:00-12:00 pm

Registration begins on May 29. No early registrations will be accepted.

Beginning May 29, Parents/guardians must email the following information to info@laurelhistoricalsociety.org:

Child's name, grade level in the fall, and contact person's name and phone number

Girls and boys are invited to participate in the **Science of Space**. Through active, hands-on learning, they will explore the sun's energy, the phases of the moon, human survival in space, and how rockets overcome Earth's gravity.

What is it?

GSK Science in the Summer™ is a fun and free science education program sponsored by GSK for students entering grades two through six. Summer is the perfect time for kids to discover the wonderful and fascinating world of science through hands-on activities!
